

Hello TYBA Families:

We hope you and yours are doing well in these very unprecedented times impacting work, school and everyday life. With the cancellation of Fall sports and schools going to distance learning, we felt it important to provide you with some level of communication about the Basketball season.

Oregon School Activities Association (OSAA) has adopted a new 2020-21 activities calendar, which provides for 3 distinct seasons from late December to late June. Traditional Winter activities, including Basketball will take place in the months of January and February. OSAA will continue to work closely with the Governor's Office, Oregon Health Authority, and Oregon Dept. of Education to provide ongoing information to member school districts as we approach Season 2.

TYBA will follow the guidance from Tigard-Tualatin School District since we rely heavily on their facilities to operate our programs. As we work our way through this distance learning period, more information and updates will be forthcoming to help shape our plans for an abbreviated season, which we hope can start in late December or early January. Our focus will be on Classic Basketball for boys and girls grades 4th - 8th and Youth Recreational Basketball for boys and girls grades 3rd - 8th. This will help to provide a framework to maximize development opportunities for most players in TYBA.

Classic Program (4th-8th Grades)

- Teams will play a tournament schedule with games on the weekends
- Teams will practice during the week
- Registration will include a reversible game jersey
- Tryout date TBA
- Registration fee TBD

Youth Rec (3rd-8th Grades)

- Players will participate in 1 skill development session and 1 open gym scrimmage session each week
- Due to the limited schedule, regular teams and weekend games will not be offered at this time
- Registration fee TBD

Our commitment is to keep you informed along the way so that you can make accurate plans for your family. Of course, SAFETY is the priority for all participants and that will drive our decisions going forward. Let us know if you have questions or concerns.

**Registration is now OPEN using a 'waitlist' option. Go to our website for any COVID updates and to register:
